**NOTICE**

In order to develop research interest among UG students, the following schemes has been introduced under TEQIP-II to provide fiscal incentives to the UG students who will do **Industry** oriented R&D Projects.

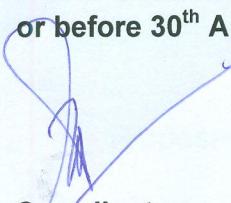

**Scheme-I:** Upto Rs.50,000/- per project may be given to meet the actual expenditure towards product development (including materials/fabrication/hardware, software) and travel to visit industry. The payment will be made on production of receipts. The number of such projects will be limited to TEN. Interested students may plan accordingly and submit their initial proposals through proper channel in the prescribed format for evaluation. Each proposal should involve a faculty as the supervisor. Preference will be given to the projects doing collaborative R&D work with industry.

**Scheme-II:** Prizes of Rs.10,000/- each will be given to 3<sup>rd</sup> year B.Tech students of each department for the best Summer project **in industry only**, carried out during the summer vacation 2014. These summer projects should be of reasonably high quality and should contain innovative ideas. The number of such projects will be limited to TEN.

**Scheme-III:** TEN 3<sup>rd</sup> year B.Tech students from each Engg. dept. who will do quality summer projects **in industry only** will be paid upto Rs. 2,000/- each towards their travel cost. On return from the summer training, the students are required to submit a certificate from the industry and a project report. Preference will be given to the projects in which a faculty of the department takes interest in the work and visits the industry where the student is working.

All these projects will be evaluated by a high level committee constituted by Director. The decision of the committee will be final in this regard.

Students interested to avail the benefits from TEQIP-II for their Project work/Summer training, may plan accordingly right now. They are required to register their names with TEQIP CELL located in the Deans' office before starting their projects/moving for summer training, by filling the prescribed form **on or before 30<sup>th</sup> April, 2014.**
