## All Heads of the Departments

The HODs and the Supervisors are requested to forward the names of two students for each B.Tech, and 5 year Integrated M.Sc. programme to Academic Office for consideration for the Best Undergraduate Project. Project along with the reports (at least 05 pages) submitted by the students should reach the undersigned latest by 17<sup>th</sup> February 2014. The presentation for Best Project Evaluation is scheduled on 04.04.2014 (Friday).

Further, the departments are requested to give more emphasis on Product and Technology on entitled project. It was noted that an ambitious project needs to be carried out by more than one student. In such cases, the theses should be different for each student depending on the responsibility on portion of the project completed by him/her.
